

# OSHC Holiday Program

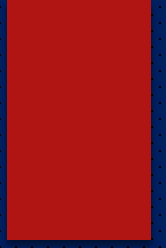

Autumn 2021

We soared into Autumn these holidays with beautiful weather and a whole host of fun. We brought back some of our favourite programs like MasterChef and introduced some new programs including Book Lovers and Basket Bonanza. We hope you enjoyed these holidays as much as we did!

# MasterChef

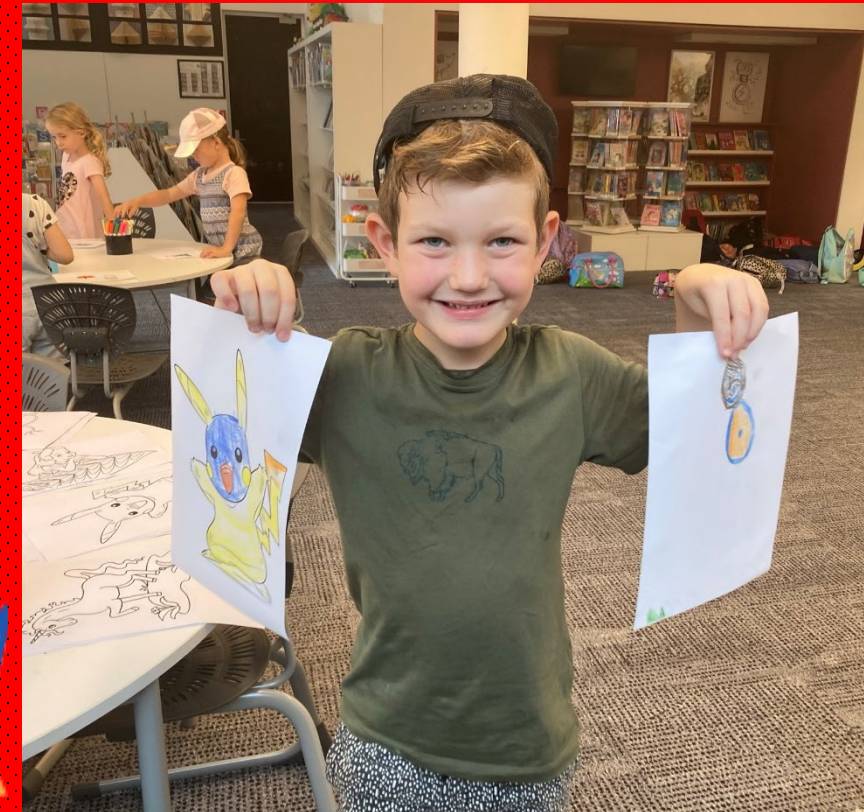

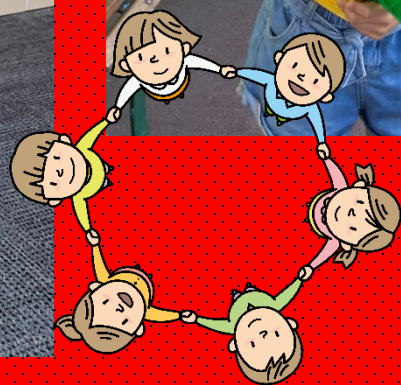

We got our chef hats on for our Italian inspired MasterChef where we made pizzas and sprinkle cookies!

## Just 4 Fun:

In Just 4 Fun (J4F) the boys and girls spent their time crafting up various artworks, playing many indoor and outdoor games and catching up with their holiday friends. We hope the boys and girls enjoyed spending quality time J4F!

## Sports Camp

We laced our joggers for a day full of fun and tiring sporting games. The boys and girls tested their basketball, tennis, soccer and netball skills through drills and games.

# Incursions

We brought nature to us these holidays with our horticultural themed incursions. With visits from the Royal Botanic Gardens and Hort4Kidz, we learned all about how animals keep themselves safe in nature and about our amazing native Australian flora.

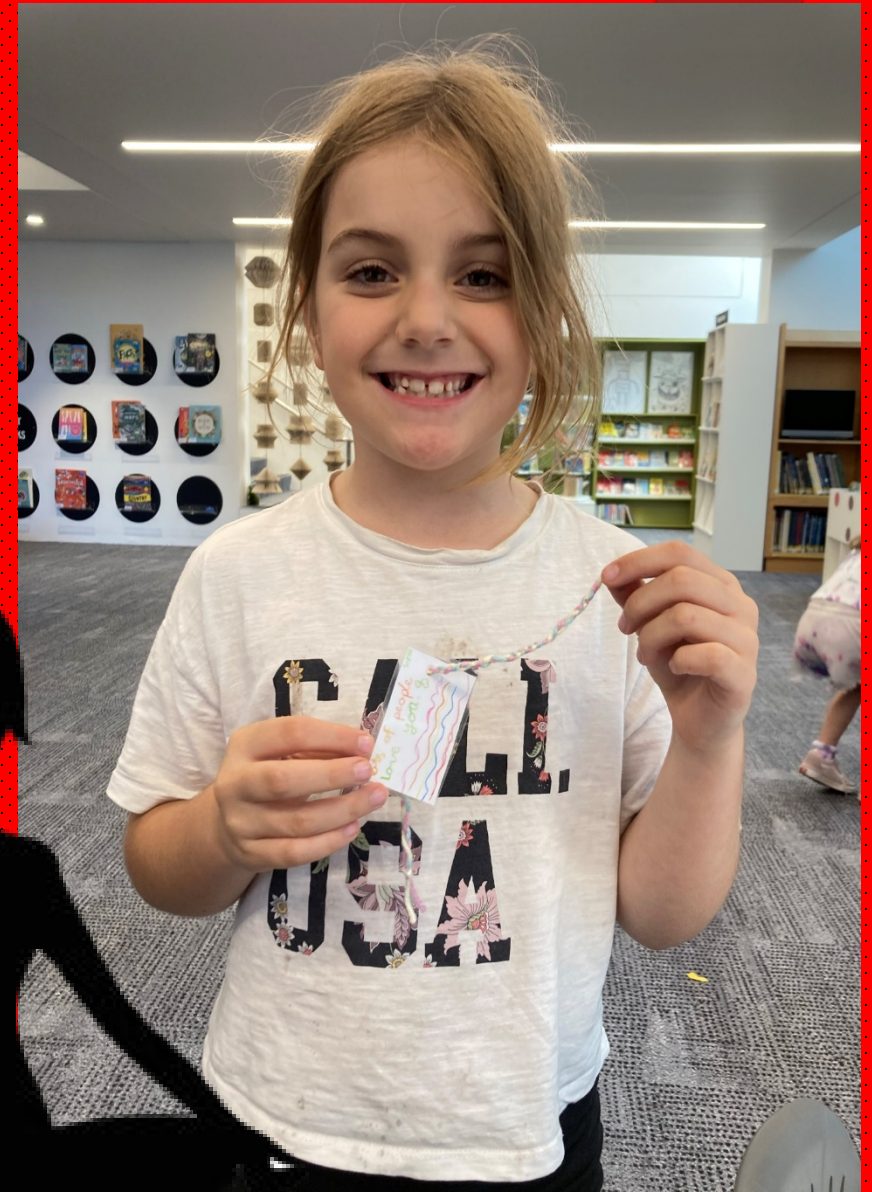

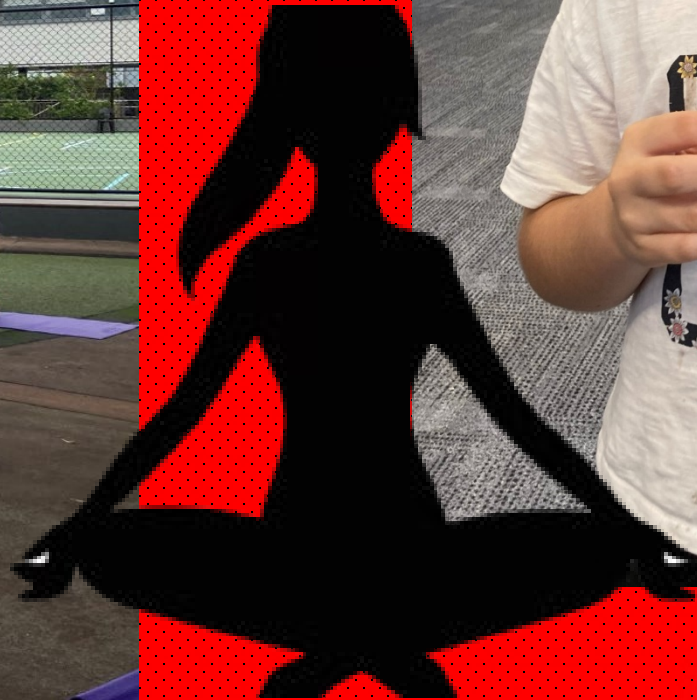

## Green Thumbs

Mother nature was our key focus on this day in the holidays. We learnt all about how plants are essential to our ecosystem and all of their benefits to the environment. We gave mother nature a helping hand by planting our very own sunflowers, lavender and poppies.

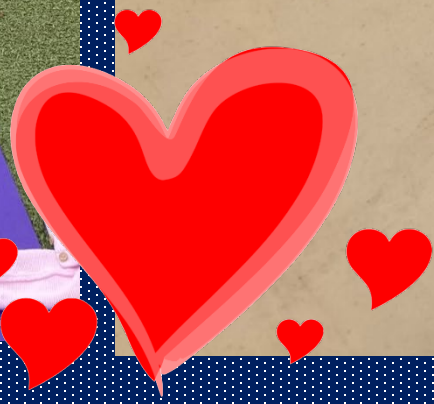

## Wellness Warriors

Body and mind collided on this day of wellbeing! We learnt all about the importance of keeping ourselves healthy, both mentally and physically!

## Sweet Treats

We got our sweet teeth ready for a day full of sweet treats. The boys and girls used their kitchen skills as they made chocolate crackle, apple donuts and chocolate covered strawberries!

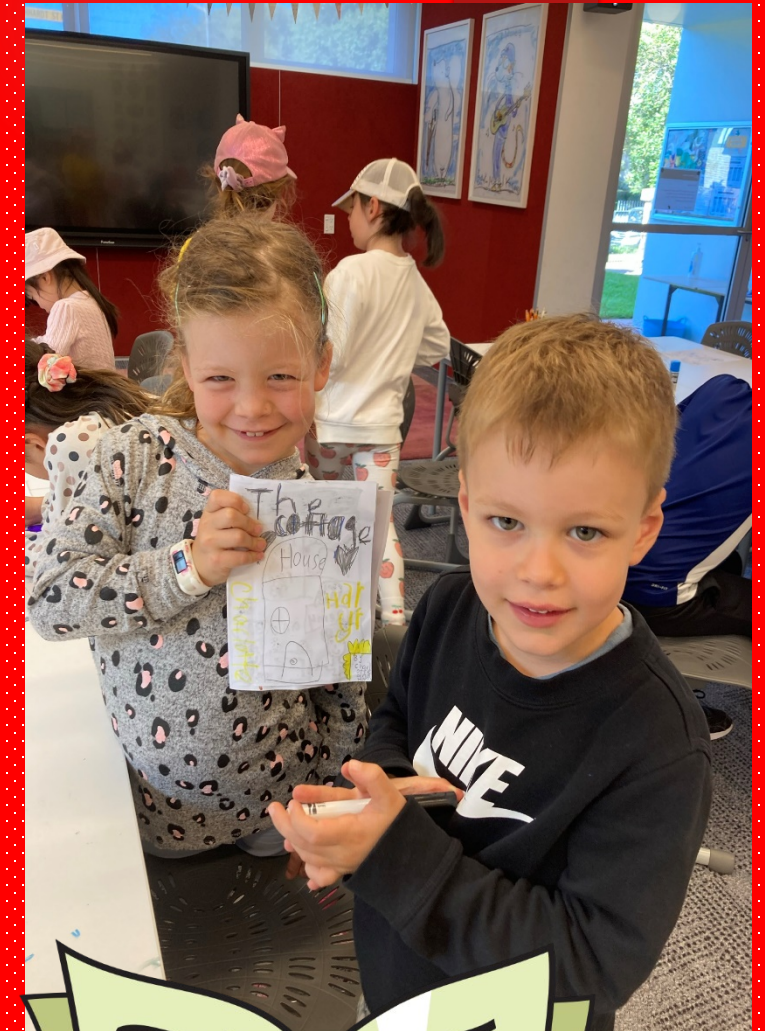

# FUN!

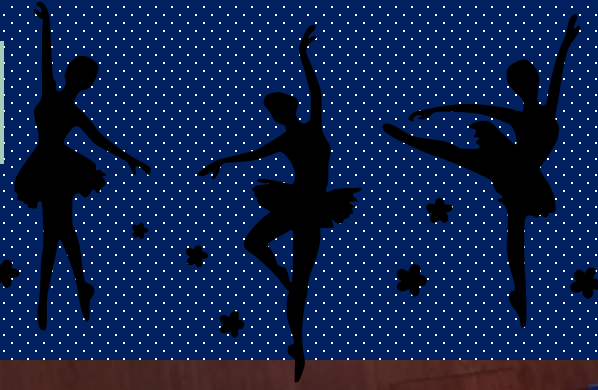

## Book Lovers

On this day the children spent their day enjoying books to the fullest, whether it was browsing books, reading them or even creating their own we all had the opportunity to use our imagination as we became authors for our first ever book lovers day!

# Dance Fusion

We blew off the cobwebs with this dance extravaganza lead by Miss Tyler and Miss Jones. The students learnt a variety of commercial dance styles with moves certainly worthy of a stage.

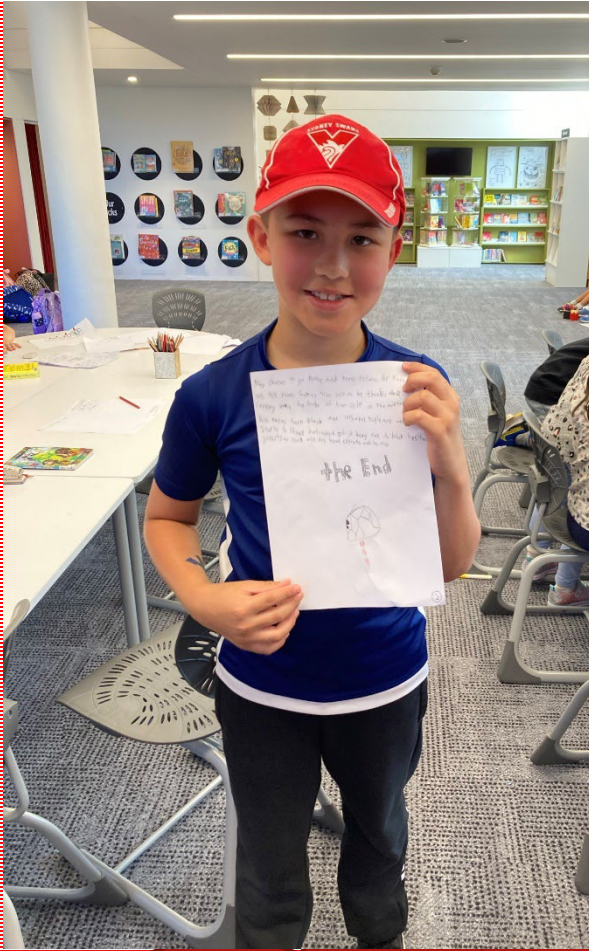

# Basket Bonanza!

Miss Hill led this unique basket making day as the girls created their own colourful and personalised baskets out of rope and yarn.

# What did you enjoy these holidays?

"I loved making all of the sweet treats especially the chocolate crackle!"  
- Emily N, Age 9

"I liked having the freedom to make my own choose your own adventure book on the book lovers day!" – Jacob T, Age 9

We would like to say a big thank you to each and every child who joined our Holiday Program and made each day so full of fun, laughter and joy.

We look forward to seeing you all in the winter holidays!
